Your smart amended electricity bill

For the period: 03 Apr 2023 to 02 May 2023

Dated: 05 May 2023

This bill replaces our previous estimates.

We've explained your bill in detail over the page.

Payment is due now

£45.04

Could you pay less?

Your Personal Projection

We estimate your Personal Projection of costs for the next 12 months will be £2,748.02, including VAT and any discounts. For more information see overleaf.

We believe in giving great deals to every customer, not just new ones. That's why we have a range of tariffs and bundles that could help you to save money.

To find out more, visit
sse.co.uk/energy-switch

As we're now part of the OVO family, we're able to offer you a wider choice of tariff options.

Remember, it might be worth thinking about switching your tariff or supplier. Please note that switching tariffs may involve changing to different terms and conditions, so always check first.

Take control, it's easier online

Coronavirus has changed all our lives and we're working hard to look after all our customers.

To help us do this, please use our website where possible at sse.co.uk/my-account

Here's what you can do online:

- Submit your meter readings
- Set up a Direct Debit
- Review and pay your bill
- Get answers with our FAQs or webchat
- Change to a tariff that might suit you better

Your account online

For a full breakdown of your usage please go to: sse.co.uk/yourlogin

Regularly monitoring your usage may help you to make savings by changing patterns and behaviour.

Ways to pay

Why not spread the cost of your bills by Direct Debit, or pay your bills quickly and securely online by visiting sse.co.uk/login.

For details of these and other ways to pay, visit sse.co.uk/ways-to-pay or see the back page.

Turnover for more information about your tariff and then the next page for more information about how much energy you're using.
